## Educational Tour

An educational tour offers students of Classes **B. Com-I, II & III years** an opportunity for a rich immersion experience. While an educational tour is great fun, it differs from a vacation. Typically led by a teacher and group chaperones, such trips provide invaluable global learning. On an educational college trip student experience culture first-hand. Students come to appreciate parts of the world on a much deeper level than they ever could in the classroom. Students converse and socialize with local people, which broadens their perspective greatly.

### Why you need to think of going on an educational trip:

- Effective learning from real-world experience
- Better chance for exchange of ideas
- Personal development
- Enhanced perspective of the world around
- Better networking skills
