Colleg (questions – 9,10)

Finding and Analysis

Parents Feedback Conducted by the college proved helpful for the collge teachers to know the overall opinion regarding the college. and its satisfaction. The feedback also helped to know the difficulties the parents face in sending their words to the college. This feedback also helped to know that still there is a Scope to increase the attendance of the students by soing the conveyance problem of the students.

Action Plan For continual Improvement –

To Solve the Conveyance Problem of the Students to increase the attendance of the students.

Conclusion

Parents Feedback Conducted for the Session 2021-22 can be briefly Concluded that 98% parents are satisfied with the over all performance of the college.
