Analysis of Teachers Feedback (2024- 2025)

Maximum teachers are agreed to have balance between theory and practical. 54 % teachers agreed & 45.5% strongly agreed to the well defined objective of syllabi. Most of teachers are agreed to available reference material for teaching prescribed syllabi. All teachers deserved full freedom to adopt new technique while teaching and assessing student. 63.6 % teachers are agreed & 50% strongly agreed for conducting examination in time and of opinion that all prescribed books are available in college library. College administration is teacher friendly. It also provides adequate opportunities for upgrading teacher's skills and qualifications. ICT facilities are adequate and satisfactory. Excluding students, separate space for teachers is available in canteen.

All class rooms, toilets, washrooms are clean and well maintained.

The percentage of teachers using ICT tools is not to much satisfactory. Hence ICT apparatus should be used in the maximum level. Library books and curriculum related books should be increased and more tests should be added in academic Callender so that student will get prepare for examination.
